

NEWS FROM THE ARCHBISHOP HANNA 4TH DEGREE ASSEMBLY

From our Faithful Navigator:

Sir Knights,

I wish to thank Francis Kaiser for his many years of support for the Archbishop Hanna Assembly 4th Degree. Faithful Navigator Francis in the last two years has kept the faith and provided the necessary guidance through these difficult times. One of the biggest challenges that he handled, and one that is a primary concern for me, is to improve the participation in our assembly activities. We have many members on our roster, but only a small number of Sir Knights that attend our meetings and events. I understand that there are some that can not because of medical reason and you are in our prayers.

I challenge each of you to communicate, in anyway you wish, how we can stimulate your efforts in making this assembly a success. There are many ways in which you can let your voice be heard. If possible, come to our next meeting on 10 May at 10:00 AM in the old St. Rose School, building 320, send an email or US mail to any member that plans on attending our meeting, call a member planning on attending our meeting or call me at 481-2267. We need your views and comments on how we can increase member involvement.

I look forward to getting your inputs and thank you in advance for your support.

I would like to continue to thank our organized telephone tree. **Jim Merriman** is the chairman and has the following Sir Knights also making the calls:

- | | | | |
|-----------------------|------------------------|--------------------------|-------------------|
| Bob Silva | Roman Schneider | Nick Franceschine | Mike Brady |
| Richard Honzik | Bill Peter | Gerald Webster | |

Please try and remember, when one of these Sir Knights is calling you, they have a reason for the call. It is to keep each and everyone of you apprised of the up-coming events that includes meetings, socials and charitable fund raising. You have a vote in what happens in the Assembly and your attendance is always appreciated. If you get a call from one of these Sir Knights, please listen to why they are calling. If a message is left, please give the Assembly some respect by returning the call. If you feel you would like to come to a meeting and are not able to drive, then we will try to find you a ride with someone.

God Bless you all,

Robert Nickel, Faithful Navigator

Fourth Degree Dues Notice

If you have not paid your dues yet, please do so. Please tear or cut this form out and please remit your dues. I will send your new Traveling Card to you. Thanks in advance – SK Bob Silva
